FOR IMMEDIATE RELEASE

Trail Construction Begins in Louise Hays Park

Kerrville, Texas (June 26, 2014) – The results of months-long planning and preparatory work are now showing visible signs of progress. Beginning on the west side of Louise Hays Park, 490 linear feet of trail was poured on Tuesday, June 24, 2014. Trail construction is being phased in order to eliminate conflicts with the July 4th activities in Lehmann & Monroe Park. Event access for *Kerrville's 4th on the River* will be from the Park Lane entrance of Lehmann & Monroe Park. Trail construction is expected to last through October.

Contracts were previously awarded by the Kerrville City Council for the river trail segment from Louise Hays Park to G Street (Zimmerman Construction Company Inc.), G Street to Kerrville-Schreiner Park (G, G, & G General Construction, Inc.) and for the interactive water feature and plaza (Kraftsman, LP). Construction should begin on the remaining features including the interactive water fountain and plaza by mid-July / August.

For more information please contact Ashlea Boyle, Special Projects Manager at (830) 258-1153, via e-mail to ashlea.boyle@kerrvilletx.gov or visit our website at www.kerrvilletx.gov.
